After completion of his responsibilities under the Election Code, including the counting of the voted ballots and the tabulation of the results, the presiding judge shall make a written return of the Election results to the District in accordance with the Election Code. The Board shall canvass the returns and declare the results of the Election.

If a majority of the resident, qualified electors of the District voting at the Election, including those voting early, shall vote in favor of the Proposition, then the issuance and sale of the bonds described in such Proposition shall be authorized in the maximum amount contained therein, and the bonds shall be issued and sold at the price or prices and in such denominations determined by the Board to be in the District's best interest.

Section 12. Training of Election Officials. Pursuant to the Election Code, a public school of instruction for all election officers and clerks may be held as arranged or contracted by the Administrator.

at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Proposition submitted by this Election Order.
