Commissioner's Court Order For Mailbox Placement

Pursuant to Chapter 251, Texas Transportation Code, on May 24th, 2016, Houston County Commissioner's Court has established the following specifications regarding the construction and placement of mailboxes along County property or right-of-way.

- * Mailboxes must be placed a minimum of three (3) feet from the driving surface.
- * The post shall be placed BEHIND the ditch, allowing access by County equipment to maintain drainage.

Houston County maintains the authority and discretion to remove or require to be moved any mailbox or object in the County right-of-way that is unsafe or creates a safety hazard to the public.
