Houston County Commissioners Court is implementing a voucher system for the citizens of Houston County in the amount of \$50.00 to use towards the cost of Spay/Neuter for one dog or cat at either Crockett Veterinary Hospital or South Pine Animal Hospital. Each of the Veterinary Clinics have offered to give 10% off the regular price.

The applicant will be required to fill out a simple application. Houston County will issue 100 vouchers per year, regardless of income and only one voucher per household. The only requirement is to fill out the application, initial, sign, and show proof of residency (utility bill, insurance statement, ect.) and provide current driver's license. The voucher is based off the application. The resident will call the vet of their choice and make the appointment after receiving the voucher. The day of the scheduled surgery they will give the voucher to the office staff when they check in to receive their \$50 credit. Any other charges will be the responsibility of the pet owner. Rabies shots are required by law and will be the responsibility of the pet owner. Each voucher will have an expiration date of 1 months from the date of issue, if it is not used by the date of expiration it will be voided and the funds will be used to help another pet owner of Houston County.
