## **School Districts**

School District's Name

## Crockett ISD M & O

School District's Address, City, State, ZIP Code

Phone (area code and number)

School District's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the effective tax rate and rollback tax rate for the taxing unit.

This sample worksheet is for school districts only. Water districts as defined under Water Code Section 49.001(1) should use Comptroller Form 50-858 Sample Water District Rollback Tax Rate Worksheet. All other taxing units should use Comptroller Form 50-856 Sample Tax Rate Calculation, Taxing Units Other Than School Districts.

The Comptroller's office provides this sample worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

## SECTION 1: Effective Tax Rate (No New Taxes)

The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.

Une	Effective fair flow Activity	Amount/Rate	Amount/Rate
1.	2018 total taxable value. Enter the amount of 2018 taxable value on the 2018 tax roll today. Include any adjustments since last year's certification; exclude one-third over-appraisal corrections from these adjustments. This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2).		
			\$ 465,575,650

SECTION	ON 2: Voter-Approval Tax Rate		0.000000

Most school districts calculate a voter-approval tax rate that is split into two separate rates:

- Most scribor districts carculate a voter-approval tax rate that is spirit into two separate rates.

  1. Maintenance and Operations (M&O): The M&O rate is the portion of the tax rate that raises taxes for any lawful purpose other than debt service for which a taxing unit may spend property tax revenue. This rate accounts for such things as salaries, utilities and day-to-day operations.

  2. Debt: The debt tax rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and
- other debt secured by property tax revenue.

In most cases the voter-approval tax rate exceeds the effective tax rate, but occasionally decreases in a school district's debt service will cause the effective tax rate to be higher than the voter-approval tax rate.

1 me 25.	Prior Approval (artists return)  2019 voter-approval M&O rate. The sum of the following as calculated in Tax Code Section 26.08(n)(1)(A), (B) and (C).	Amgunt/Rate

SEC II	ON 2: Voter-Approval Tax Rate				

Most school districts calculate a voter-approval tax rate that is split into two separate rates:

- Most scrious districts calculated a voter-approval tax rate that its spirit into two separate rates.

  1. Maintenance and Operations (M&O): The M&O rate is the portion of the tax rate that raises taxes for any lawful purpose other than debt service for which a taxing unit may spend property tax revenue. This rate accounts for such things as salaries, utilities and day-to-day operations.

  2. Debt: The debt tax rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and
- other debt secured by property tax revenue.

In most cases the voter-approval tax rate exceeds the effective tax rate, but occasionally decreases in a school district's debt service will cause the effective tax rate to be higher than the voter-approval tax rate.

# 2020 Tax Rate Calculation Worksheet School Districts

2020 Crockett ISD School District's Name 936-544-9655

Phone (area code and number)

PO Box 112, Crockett, TX, 75835 School District's Address, City, State, ZIP Code hcadcm@windstream.net School District's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

This worksheet is for school districts only. Water districts as defined under Water Code Section 49.001(1) should use Comptroller Form 50-858 Water District Rollback Tax Rate Worksheet. All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts.

This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

Line	No-New-Revenue Tax Rate Activity		Amount/Rate
1.	2019 total taxable value. Enter the amount of 2019 taxable value on the 2019 tax roll today. Include any adjustments since last year's certification; exclude one-fourth and one-third over-appraisal corrections made under Tax Code Section 25.25(d) from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2).[1]		\$493,240,908
2.	2019 tax ceilings. Enter 2019 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled.[2]		\$56,251,640
3.	Preliminary 2019 adjusted taxable value. Subtract Line 2 from Line 1.		\$436,989,268
4.	2019 total adopted tax rate		\$.970000
5.	2019 taxable value lost because court appeals of ARB decisions reduced 2019 appraised value.		
	A.Original 2019 ARB values:	\$0	
	B. 2019 values resulting from final court decisions:		
	C. 2019 value loss. Subtract B from A.[3]		\$0
6.	2019 taxable value subject to an appeal under Chapter 42, as of July 25.	•	
	A. 2019 ARB certified value	0	<u> </u>
	B. 2019 disputed value:	Λ	<u> </u>
	C. 2019 undisputed value Subtract B from A.[4]		. 0
7.	2019 Chapter 42-related adjusted values. Add Line 5 and 6.		·
8.	2019 taxable value, adjusted for actual and potential court-ordered adjustments. Add Line 3 and Line 7.	· · ·	\$436,989,268
9.	2019 taxable value of property in territory the school deannexed after Jan. 1, 2019. Enter the 2019 value of property in deannexed territory.[5]	· · · · · · · · · · · · · · · · · · ·	\$0
10.	2019 taxable value lost because property first qualified for an exemption in 2020. If the school district increased an original exemption, use the difference between the original exempted amount and the increased exempted amount. Do not include value lost due to freeport or goods-in-transit, temporary disaster exemptions. Note that lowering the amount or percentage of an existing exemption in 2020 does not create a new exemption or reduce taxable value.		
	A. Absolute exemptions. Use 2019 market value:	\$197,960	
	B. Partial exemptions. 2020 exemption amount or 2020 percentage exemption times 2019 value:	\$494,240	

i	C. Value loss. Add A and B.[6]	· :	\$692,200
!	2019 taxable value lost because property first qualified for agricultural appraisal (1-d or 1-d-1), timber appraisal, recreational/scenic appraisal or public access airport special appraisal in 2020. Use only properties that	!	:
	qualified in 2020 for the first time; do not use properties that qualified in 2019.	;	. :
	A. 2019 market value:	\$36,520	
<u>+</u>	B. 2020 productivity or special appraised value:	\$840	:
- <u>-</u> .	C. Value loss. Subtract B from A.[7]	;	\$35,680
12.	Total adjustments for lost value. Add Lines 9, 10C and 11C.	;	\$727,880
13.	2019 adjusted taxable value. Subtract Line 12 from Line 8.	;	\$436,261,388
4.	Adjusted 2019 taxes. Multiply Line 4 by Line 13 and divide by \$100.		\$4,231,735
	Taxes refunded for years preceding tax year 2019. Enter the amount of taxes refunded by the district for tax years preceding tax year 2019. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2019. This line applies only to tax years preceding tax year 2019.[8]	:	\$272
	Adjusted 2019 levy with refunds Add Lines 14 and 15.[9] Note: If the governing body of the school district governs a junior college district in a county with a population of more than two million, subtract the amount of taxes the governing body dedicated to the junior college district in 2019 from the result.		\$4,232,007
	Total 2020 taxable value on the 2020 certified appraisal roll today. This value includes only certified values and includes the total taxable value of homesteads with tax ceilings (will deduct in Line 19). These homesteads include homeowners age 65 or older or disabled.[10]	:	
	A. Certified values.[11]	\$515,701,018	•
	B. Pollution control and energy storage exemption: Deduct the value of property exempted for the current tax year for the first time as pollution control or energy storage system property:	\$968,300	
	C. Total value. Subtract B from A.	•	\$514,732,718
	Total value of properties under protest or not included on certified appraisal roll.[12]	•	
	A. 2020 taxable value of properties under protest. The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. For each of the properties under protest, use the lowest of these values. Enter the total value under protest.[13]	\$1,363,770	
	B. 2020 value of properties not under protest or included on certified appraisal roll. The chief appraiser gives school districts a list of those taxable properties that the chief appraiser knows about but are not included in the appraisal roll certification. These properties are also not on the list of properties that are still under protest. On this list of properties, the chief appraiser includes the market value, appraised value and exemptions for the preceding year and a reasonable estimate of the market value, appraised value and exemptions for the current year. Use the lower market, appraised or taxable value (as appropriate). Enter the total value not on the roll.[14]>	<b>\$0</b>	
- :	C. Total value under protest or not certified:. Add A and B.	,	\$1,363,770

## 3TEP 3: Additional Rollback Protection for Pollution Control

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This ncludes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed vholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the rceQ letter of determination that states the portion of the cost of the installation for pollution control. This step should only be completed by a chool district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution."

# 2021 Tax Rate Calculation Worksheet School Districts with Chapter 313 Agreements CROCKETT ISD

School District's Name School District's Address, City, State, ZIP Code

Phone (area code and number)
School District's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by August 7 or as soon thereafter as practicable.

This worksheet is for school districts with Chapter 313 agreements only. School districts that do not have a Chapter 313 agreement should use Comptroller Form 50-859 Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) should use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

# SECTION 1: No-New-Revenue Tax Rate The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the ame amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease. Chapter 313 agreements allow a school district to limit the value of certain qualified property subject to the agreement for the purposes of maintenance and operations (M&O) taxation. The value of the same property is not limited for the purposes of debt service, or interest and sinking (1&S) taxation. School districts that have entered into a Chapter 3 13 agreement must calculate the NNR tax rate for M&O and I&S purposes separately and then add together to determine the current year total NNR tax rate. No-New-Revenue Tax Rate Worksheet Amount/Rate 1. 2020 total I&S taxable value. Enter the amount of 2020 taxable value on the 2020 tax roll today. Include any adjustments since last year's certification; exclude one-fourth and one-third over-appraisal corrections made under Tax Code Section 25.25(d) from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 \$590,037,303 (will add undisputed value in Line 8). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2). This also includes the taxable value of property subject to a Chapter 313 agreement prior to the limitation. 2. 2020 tax ceilings. Enter 2020 total taxable value of homesteads with tax ceilings. These \$66,769,561 include the homesteads of homeowners age 65 or older or disabled. 3. Preliminary 2020 adjusted I&S taxable value. Subtract Line 2 from Line 1. \$523,267,742 4. 2020 taxable value not subject M&O taxation, due to limitation under Tax Code Chapter 313. \$90,263,130 A. 2020 I&S value of property subject to Chapter 313 agreement. Enter the total 2020 appraised value of property subject to a Chapter 313 agreement \$20,000,000 B. 2020 M&O value of property subject to Chapter 313 agreement. Enter the total 2020 limited value of property subject to a Chapter 313 agreement: \$70,263,130 C. Subtract B from A. 5. Preliminary 2020 adjusted M&O taxable value. Subtract Line 4C from Line 3. \$453,004,612 6. 2020 total adopted tax rate. Separate the 2020 adopted tax rate into its two components. \$0.961700 A. 2020 M&O tax rate \$0.200000 B. 2020 I&S or debt rate: 7. 2020 taxable value lost because court appeals of ARB decisions reduced 2020 appraised value: \$0

	·

## SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates.

- 1. Maximum Compressed Tax Rate (MCR): A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment.
- 2. Enrichment Tax Rate (DTR): A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into 'golden pennies' and the 'copper pennies'. School districts can claim up to 8 'golden pennies', not subject to compression, and 9 'copper pennies' which are subject to compression with any increases in the guaranteed yield.
- 3. Debt Rate: The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The MCR and DTR added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service.

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate (disaster pennies) in the calculation this year. This adjustment will be made in Section 4 of this worksheet.

A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election. Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit.

Districts should review information from TEA when calculating their voter-approval tax rate. Voter-Approval Tax Rate Worksheet Amount/Rate 37. 2021 maximum compressed tax rate (MCR). TEA will publish compression rates based on district and statewide property value growth. Enter the school districts' maximum \$0.888700/\$100 compressed rate based on guidance from TEA 38. 2021 enrichment tax rate (DTR). Enter the greater of A and B. \$0.0500 A. Enter the district's 2020 DTR, minus any required reduction under Education Code \$0.0500 Section 48.202(f) B. \$0.0500 per \$100 of taxable value. \$0.0500 39. 2021 maintenance and operations (M&O) tax rate (TR). Add Lines 37 and 38. Note: M&O tax rate may not exceed the sum of \$0.17 and the product of the state \$0.9387/\$100 compression percentage multiplied by \$1.00. 40. Total 2021 debt to be paid with property tax revenue. Debt means the interest and principal that will be paid on debts that: (1) Are paid by property taxes, (2) Are secured by property taxes, (3) Are scheduled for payment over a period longer than one year, and (4) Are not classified in the school district's budget as M&O expenses. A. Debt includes contractual payments to other school districts that have incurred debt on behalf of this school district, if those debts meet the four conditions above. Include only amounts that will be paid from property tax revenue. Do not include appraisal district budget \$1,636,282 payments. If the governing body of a taxing unit authorized or agreed to authorize a bond, warrant, certificate of obligation, or other evidence of indebtedness on or after Sept. 1, 2021, verify if it meets the amended definition of debt before including it here. Enter debt amount: \$323,649 B. Subtract unencumbered fund amount used to reduce total debt. \$25,957 C. Subtract state aid received for paying principal and interest on debt for facilities through the existing debt allotment program and/or instructional facilities allotment program debt. \$1,286,676 D. Adjust debt: Subtract B and C from A. 41. Certified 2020 excess debt collections. Enter the amount certified by the collector. 42. Adjusted 2021 debt. B, C and D, enter the lowest rate from B, C and D. If the anticipated rate in A is higher than at least one of the rates in the prior three years, enter the rate from A. Note that the rate can be greater than 100%	
A. Enter the 2021 anticipated collection rate certified by the collector:	100.00%
B. Enter the 2020 actual collection rate	100.00%
C. Enter the 2019 actual collection rate	99.00%
D. Enter the 2018 actual collection rate	101.00%
44. 2021 debt adjusted for collections. Divide line 42 by line 43.	\$1,286,676
45. 2021 total taxable value. Enter amount on Line 26 of the No-New-Revenue Rate Worksheet.	\$537,470,609
46. 2021 debt tax rate. Divide line 44 by line 45 and multiply by \$100.	\$0.239394/\$100
47. 2021 voter-approval tax rate. Add lines 39 and 46. If the school district received distributions from an equalization tax imposed under former Chapter 18, Education Code, add the NNR tax rate as of the date of the county unit system's abolition to the sum of Lines 39 and 46.	\$1.178094/\$100

SECTION 3: Voter-Approval Rate Adjustment for Pollution Control	
A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tar assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.  This section should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.	
Voter-Approval Rate Adjustment for Pollution Control Requirements Worksheet	Amount/Rate
48. Certified expenses from the Texas Commission on Environmental Quality (TCEQ). Enter the amount certified in the determination letter from TCEQ. The school district shall	\$0
provide its tax assessor with a copy of the letter.8	
49. 2021 total taxable value. Enter the amount from line 26 of the No-New-Revenue Tax Rate Worksheet.	\$537,470,609
50. Additional rate for pollution control. Divide line 48 by line 49 and multiply by \$100.	\$0/\$100
51. 2021 voter-approval tax rate, adjusted for pollution control. Add line 50 and line 47.	\$1.178094/\$100

# SECTION 4: Voter-Approval Tax Rate Adjustment in Year Following Disaster If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate in the calculation this year. 35 As such, it must reduce its voter-approval tax rate for the current tax year. NOTE: This section will not apply to any taxing units in 2021. It is added to implement Senate Bill 1438 (87th Regular Session) and does not apply to a school district that adopted a tax rate without the required election in 2020, as provided for in the recently repealed Tax Code Section 26.08(a-1).

In future tax years, this section will apply to school district in a disaster area that adopts a tax rate greater than its voter-approval tax rate without holding an election in the prior year, as

provided for by tax Code Section 20:042(e).	
Emergency Revenue Rate Worksheet	Amount/Rate
52. 2020 adopted tax rate. Enter the rate in Line 4 of the No-New-Revenue Tax Rate Worksheet.	N/A
53. 2020 voter-approval tax rate. If the school district adopted a tax rate above the 2020 voter-approval tax rate without holding an election due to a disaster, enter the voter-approval tax rate from the prior year's worksheet.	N/A
54. Increase in 2020 tax rate due to disaster (disaster pennies). Subtract Line 53 from Line 52.	N/A
55. 2021 voter-approval tax rate, adjusted for prior year disaster. Subtract Line 54 from one of the following lines (as applicable): Line 47 or Line 51 (school districts with pollution control).	N/A

# **SECTION 5: Total Tax Rate**

Indicate the applicable total tax rates as calculated above.

No-New-Revenue Tax Rate

Enter the 2021 NNR tax rate from Line 25.

Voter-Approval Tax Rate

As applicable, enter the 2021 voter-approval tax rate from Line 36, Line 40 or Line 44.

\$1.178094

\$1.129697

Indicate the line number used: 47

# SECTION 6: School District Representative Name and Signature

Enter the name of the person preparing the tax rate as authorized by the governing body of the school district. By signing below, you certify that you are the designated officer or employee of the school district and have calculated the tax rates in accordance with requirements in Tax Code and Education Code. 36

# School Districts with Chapter 313 Agreements

CROCKETT ISD  School District's Name	(936) 544-2125 Phone (area code and number)
1400 W Austin Crockett, Tx 75835	www.crockettisd.net
School District's Address, City, State, ZIP Code	School District's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voterapproval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by August 7 or as soon thereafter as practicable. Tax Code Section 26.04(e) does not require school districts to certify tax rate calculations.

This worksheet is for school districts with Chapter 313 agreements only. School districts that do not have a Chapter 313 agreement should use Comptroller Form 50-859 Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) should use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

#### SECTION 1: No-New-Revenue Tax Rate

The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease. Chapter 313 agreements allow a school district to limit the value of certain qualified property subject to the agreement for the purposes of maintenance and operations (M&O) taxation. The value of the same property is not limited for the purposes of debt service, or interest and sinking (l&S) taxation. School districts that have entered into a Chapter 313 agreement must calculate the NNR tax rate for M&O and l&S purposes separately and then add together to determine the current year total NNR tax rate.

#### SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates. 18

- 1. Maximum Compressed Tax Rate (MCR): A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment.<sup>19</sup>
- 2. Enrichment Tax Rate: <sup>20</sup> A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into 'golden pennies' and the 'copper pennies' School districts can claim up to 8 'golden pennies, not subject to compression, and 9 'copper pennies' which are subject to compression with any increases in the guaranteed yield.<sup>21</sup>
- 3. **Debt Rate:** The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The MCR and Enrichment Tax Rate added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service. 22

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate (disaster pennies) in the calculation this year. This adjustment will be made in Section 4 of this worksheet.

A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election. <sup>23</sup> Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit. <sup>24</sup>

Districts should review information from TEA when calculating their voter-approval tax rate.

	Voter-Approval Tac Rate-Worksheet	Amount/Rate

#### SECTION 3: Voter Approval Rate Adjustment for Pollution Control

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

	Line Voter-Approval Pate Adjustment for Pollution Control Requirements Worksheet Amount/Rate		
48.	Certified expenses from the Texas Commission on Environmental Quality (TCEQ). Enter the amount certified in the determination letter from TCEQ. 33 The school district shall provide its tax assessor with a copy of the letter. 34	\$ 0

51,	2022 voter-approval tax rate, adjusted for pollution control. Add line 50 and line 47.	\$ 1.0711 /\$100	

## SECTION 4: Voter Approval Tax Rate Adjustment in Year Following Disaster

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate in the calculation this year. 35 As such, it must reduce its voterapproval tax rate for the current tax year.

This section applies to a school district in a disaster area that adopts a tax rate greater than its voter-approval tax rate without holding an election in the prior year, as provided for by Tax Code Section 26.042(e).

Line Prior Year Disaster Adjustment Worksheet Amount/Rate					
52.	2021 adopted tax rate. Enter the rate in Line 4 of the No-New-Revenue Tax Rate Worksheet.	\$1.1387 <sub>/\$100</sub>			
53.	2021 voter-approval tax rate, if the school district adopted a tax rate above the 2021 voter-approval tax rate without holding an election due to a disaster, enter the voter-approval tax rate from the prior year's worksheet.				
54.	Increase in 2021 tax rate due to disaster (disaster pennies). Subtract Line 53 from Line 52.	\$0.0000 <sub>/\$100</sub>			
55.	2022 voter-approval tax rate, adjusted for prior year disaster. Subtract Line 54 from one of the following lines (as applicable): Line 47 or Line 51 (school districts with pollution control).	\$1.0711 <sub>/\$100</sub>
