

DAMAGE ASSESSMENT: Houston County Emergency Management office is gathering damage assessments from all residents and businesses who experienced damages from the winter storm. Please click on the link below and submit your information. Only one assessment per address.

Since disaster assistance has been approved by FEMA, it is extremely important that we get this data regarding the damage you may have incurred - from broken water lines, flooding due to broken pipes, fallen trees on fences, roofs, vehicles or any other damage related to this winter storm.

Please fill out this survey and include pictures if you can. Please share this post or copy the following link and text/email to your friends and neighbors.

Sincerely,

Heath Murff, EMC

Jim Lovell, County Judge
